## CHAMP

Karate Uniforms

Since 1968

# Perfect for Training and Competition!

Meijin products are constantly being improved, and this is true of our CHAMP+PLUS uniform. This retains all the benefits of the original CHAMP as far as cut, fit, and construction are concerned, but is now made of much higher grade 100% cotton canvas that weighs in at 13.5 ounces compared with the 12 ounces of the original Champ uniform. Adding this new fabric to the legendary cut and fit of the Meijin CHAMP has created a well-priced, professional quality uniform that is without equal.

- *Range of sizes from 3–8 with half sizes*
- *Same cut and proportions as Meijin Pro*  
(See size chart on Page 10.)
- *Underarm gussets with embroidered ventilation holes*
- *Straight cut pants and sleeves*
- *100% pure cotton canvas, bleached.*
