TROPICAL+

Karate Uniforms

Since 1968

This new product represents a very substantial upgrade from our original Tropical uniform. The most obvious difference is that it is made from a super high quality 10 ounce cotton CANVAS instead of the 9 ounce cotton twill we have used in the past. If you are looking for a low cost, high quality, lighter weight uniform with the strength, style, and snap that only high quality canvas can offer, or simply something more comfortable to train in when you need to combat high temperatures, high humidity, and excessive perspiration, you now have the answer: the **Tropical+ karate uniform by Meijin.**

DOJO

Karate Uniforms

Since 1968

The **Dojo brand karate uniform** from Meijin is a competitively priced uniform in 100% cotton that is by no means "cheap" when it comes to quality. Famous for their fit and comfort, each Meijin uniform is identical except for the fabric used. In other words, if you wear a size 5 Tropical, a size 5 Pro will fit you just as well.
